Special Thanks Goes to...

Pastor Joe Mills for generously providing us with the space to rehearse at Westchester Community Church.

Sheila Kettering, who has put in unrelenting effort to organize ASL interpreted performances for every show, from Kp's debut production to today.

The Kallas Family for providing our set pieces a home when the lights go out.

RoseMary Johnson, because there isn't a title in the program that we can give her to encapsulate everything she assists with behind the scenes to bring our productions together.

From the Kp Board

Since selecting the stage adaptation of Charlotte's Web for the fall of 2025, this production has been an absolute delight. There was no shortage of times that we heard "That was my favorite book as a kid!" and "I remember my parent/teacher/grandparent reading that to me!"

We are honored to have your support in bringing childhood memories to life and making new ones for those who are meeting Fern, Wilbur, and the others for the first time.

Sincerely,

Erina Johnson, William Lyons, Allen Kallas,
Maria Del Sol, Carmina Johnson
