The Kirkwood Players is a 501(c)3 charity, dedicated to accessibility and education through theater. *Plaza Suite* is a fundraiser, which will allow us to continue producing costlier all-ages and literature-focused shows.

The sale of program ads greatly contributes to our fundraising efforts. Please consider making a donation from your local business.

# Audience

Total attendance to our comedic productions averages 300 people, and will consist of adults primarily residing in the Chicago suburbs. To increase ad impressions, this will be a digital program with QR codes distributed to patrons on-site. Rather than a paper program, patrons will read more diligently on their phones, advertisers can include links and tap-to-call phone numbers, and the program is more likely to make it back home.
